Mixed bulbs are named varieties blended to make a good color mixture and also blooming season, made for each order per 100. Large \$4.00. Med. \$3.00. Small \$2.00. Packets of bulblets are usually between 50 and 100.

This is a Post Script and a happy one. We have had the driest fall in years and have kept lifting bulbs. Finally we got some light winter but had snow enough to protect the ground so have been able to get the large bulbs of the following:
